Kids Free  
12&under

May 22  
is International  
Biodiversity  
Day!

ALL PROCEEDS TO THE

### ***Chemainus Biodiversity Education Project***

The *Chemainus Biodiversity Education Project* is a collaboration between the University of Victoria through the POLIS Project on Ecological Governance and a growing number of interested individuals and organizations in the Chemainus area including the Cowichan Valley Naturalists. POLIS is particularly interested to support community-based projects on Vancouver Island that are likely to benefit local communities and meet local research and educational priorities.
